

Remarks

1. Amendments to the Drawings

Attached are original drawings with Annotated Sheets Showing Changes and Replacement Sheets incorporating those changes. More specifically, the following changes are made:

In Fig. 1, reference numbers 17, 18, 19, 30, and 32 were omitted from the original drawings and have been added to the replacement drawings.

In Fig. 2, reference number 20 was omitted from the original drawing and has been added to the replacement drawing.

In Fig's 3 and 4 reference number 42 was omitted from the original drawing and has been added to the replacement drawing.

In Fig's 5 and 6, reference number 42 omitted from the original drawings and reference number 46 has been changed to 43 have been corrected on the replacement drawings.

In Fig. 7, reference number 42 was omitted from the original drawing and reference number 95 has been changed to 96 with other minor changes on the replacement drawings.

In Fig. 8, reference number 95 has been changed to 99 and have been corrected on the replacement drawings.

No new matter is being introduced by these changes.

2. Amendments to the Specification:

Minor grammatical errors were found upon review and corrected. No new matter is being introduced by these changes.

1 3. Amendments to the Claims:

2 Claim 1 has been revised to recite at least one battery, and to more clearly define the
3 invention. New Claims 9-14 have been added to recite a combination flashlight and garage
4 door opener transmitter.

5 No new matter is being introduced by these changes.
